marketing and design inspiration

TIPS & TRICKS

MADI is your go-to gal for all things marketing and design related! She is powered by MAXA Designs. MADI offers hundreds of customizable designs to support your marketing efforts, whether it's personal branding, listing promotion, social media, digital or printed collateral!

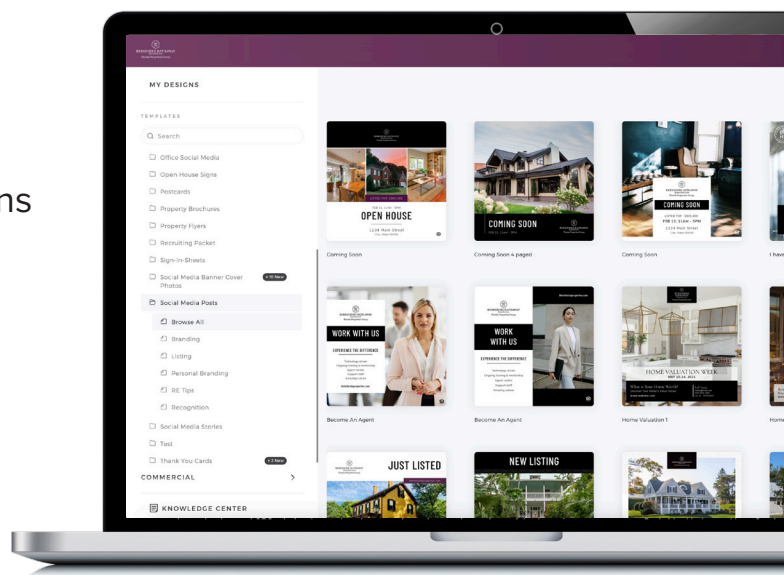

REQUEST FORM SUBMISSION

- **Google Chrome** is the preferred browser for you to use when accessing MADI.
- **Don't reinvent the wheel.** You have the ability to use one design for multiple purposes! Most text boxes are editable and all image frames can have a new image uploaded to them.
- Upload your **personal or team logo** to your account. You can drag and drop your logo onto any design template!
- You have access to **royalty-free images** to use in your marketing efforts!
- Don't see what you're looking for that you think everyone could benefit from? Fill out the [request form](#) to submit your idea.
